DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The Examiner never acknowledged an IDS, which was previously filed for present application on February 18, 2005 because the IDS had a wrong serial number printed on it. In the telephone interview on February 2, 2007, Mr. Lee Cheng (attorney for applicants) indicated that the wrong serial number shown on the IDS was a typographical error and that the IDS indeed belongs to present application. On the same day, Mr. Cheng sent the Examiner the IDS with a correct serial number by fax and requested the Examiner to re-enter the IDS (the original IDS of February 18, 2005 had been taken off from e-DAN) and acknowledge it. The enclosed is the acknowledged and initialed IDS. Those references listed in the IDS didn't affect the allowability of claims of present application.
